

Approved Dump Sites & Disposal Locations

Internal Use Only

Last Updated on 01/26/2026

This document lists approved disposal locations for LumaLoad operations. Employees must use only authorized sites and follow all posted rules, fees, and identification requirements. When unsure, contact dispatch **before unloading**.

1. General Dump Site Rules

1.1 Authorization

Only dump sites approved by LumaLoad may be used for disposal.

1.2 Compliance

Employees must comply with:

- Site rules and staff instructions
- Local, county, and state disposal regulations
- Weight limits and material restrictions

1.3 Receipts

If a receipt is issued:

- Keep the receipt
- Photograph or submit it if requested by dispatch

1.4 Uncertainty

If there is any uncertainty regarding acceptable materials, fees, or access:

- Stop
 - Contact dispatch before unloading
-

LumaLoad
